- President – Cedar Park Surgery Center, 2011 - present
- Educator for Medtronic Minimally-Invasive Spinal Surgery Courses, 2008 - 2012
- Official Training On-site Surgeon for Medtronic Neuromodulation (Spinal Cord Stimulation), 2008 - 2012

#### **COURSES ATTENDED**

- Mobi-C Artificial Disc Training, 2017
- Prestige Surgical Disc Training, August 2007
- "Minimal Access Spinal Technologies – Posterior Solutions", June 2005
- Dynesys Dynamic – Stabilization Workshop (Zimmer), February 2005
- Charite' Artificial Disc Training (DePuy Spine), December 2004
- Skills Laboratory (Midas Rex), April 2002
- Skull Base Approaches Workshop (Anspach), September 2001
- Endovascular AVM Embolization Course (Codman), April 2001
- Spine Instrumentation Course (Sofamor Danek), March 2001

#### **PATENTS/RESEARCH**

- Awarded European Patent for Retractor Component System and Method of Using the Same (European Patent No. 2461734), January 2018
- Wentsel Z, Loftus TS. Clinical Outcomes of Minimally Invasive Transforaminal Lumbar Interbody Fusions: A Retrospective Analysis of 184 Patients. Poster Presentation, International Society for the Advancement of Spine Surgery, April 2017

- Awarded patent by the U.S. Patent Office: Retractor Component System and Method Comprising Same (U.S. 8,894,573 B2), November 2014
- Awarded patent by the U.S. Patent Office: Method for Performing Minimally Invasive Surgery (U.S. 8,888,822 B2), November 2014
- Awarded patent by the U.S. Patent Office: Retractor Component System and Method Comprising Same (U.S. 8,617,063 B2), December 2013
- Awarded patent by the U.S. Patent Office: Retractor Component System and Method Comprising Same (U.S. 8,574,154 B2), November 2013
- Awarded patent by the U.S. Patent Office: Blade Body for use with a Surgical Retractor (U.S. 8,317,692 B2), November 2012
- Awarded patent by the U.S. Patent Office: Method for Performing Minimally Invasive Surgery (U.S. 8,182,519 B2), May 2012
- Awarded patent by the U.S. Patent Office: Retractor Component System and Method of Using Same (U.S. 8,152,720 B2), April 2012
- Loftus TS, Jimenez DF. Endoscopic Carpal Tunnel Release. Master Cases of Peripheral Nerve Surgery, Thieme, 2002
- Loftus TS, Highland TR. Therapeutic and Prognostic Value of Neuroforaminal Steroid Injections: a review of 76 cases (submitted)
- Loftus TS, David CA. Case Report: Unusual Imaging of a Cerebral Venous Angioma. (Submitted)

## **PRESENTATIONS**

- Presentation – “Pedicule-screw Based Retractor System for Minimally Invasive Fusions” Life Spine Course, North American Spine Society Annual Meeting Dallas, TX October 2012
- Presentation – “Techniques in Minimally Invasive Spine Instrumentation” Life Spine Surgeon Education Course Las Vegas, NV, April 2011
- Presentation - “Surgical Management of Low Back Pain” St. David’s North Austin Medical Center Austin, TX, August 2010
- Presentation – “Minimally-Invasive Spine Surgery” Westlake Hospital Grand Rounds, Austin, TX, February 2010
- Presentation- “Minimally Invasive Spine Surgery” Neurological Nurses Association Meeting, Austin, TX, May 2006

- Presentation- “Advances in the Treatment of Low Back Pain” Neurological Nurses Association Meeting Austin, TX, August 2005
- Presentation- “Therapeutic and Diagnostic Value of Cervical Neuroforaminal Steroid Injections”  
Cervical Spine Research Society National Meeting, Miami, Florida, December 2002
- Course Instructor- Endoscopic Carpal Tunnel Release  
Congress of Neurological Surgeons National Meeting, Philadelphia, Pennsylvania  
October 2002
- Course Instructor- Endoscopic Carpal Tunnel Release  
Congress of Neurological Surgeons National Meeting, San Diego, California, October 2001
- Current Management and Prognosis of Hypertensive Intracranial Hemorrhage  
Emergency Services Conference, University of Missouri, December 2001
- Surgical Treatment of Peripheral Entrapment Neuropathies  
Neurosurgery/ Neurology Grand Rounds, University of Missouri, June 2001
- Role of Radiation Therapy in Neurosurgical Practice  
Lake of the Ozarks Radiological Society Meeting, Lake of the Ozarks, Missouri, April 2000
- Vertebral Artery Dissection- diagnosis and management  
Neurosurgery/ Neurology Grand Rounds, University of Missouri, April 2000
- Management of Subarachnoid Hemorrhage  
Neuropathology Conference, University of Missouri, March 2000
- Endovascular Treatment of Intracranial Aneurysms  
Neurosurgery/ Neurology Grand Rounds, University of Missouri, October 1999
- Subdural Empyema  
Neurosurgery/ Neurology Grand Rounds, University of Missouri, July 1999

#### **PROFESSIONAL ORGANIZATIONS**

- Technology Committee Member - American Association of Neurological Surgeons  
May 2013 – May 2016
- Fellow American Association of Neurological Surgeons
- Congress of Neurological Surgeons
- North American Spine Society
- International Society for the Advancement of Spine Surgery
- Texas Medical Association
- Travis County Medical Society

- Texas Association of Neurological Surgeons
- American Academy of Physicians and Surgeons
- Licensure Texas- L5439

**EXTRACURRICULAR ACTIVITIES:**

- Active in multiple outdoor activities and organizations.
- Supports multiple charitable/educational organizations including American Lymphoma/Leukemia Society, Amber's Angels, Ben Hur Shrine Circus, American Red Cross, Texas A&M Association of Former Students, University of Texas Performing Arts, Texas A&M Rugby Scholarships, etc.
- Member – Texas A&M Foundation Legacy Society
